Attached is a current draft of the shareholder letter for your weekend reading. As you read it, think about:

- Do we cover the businesses and key messages completely and clearly
- Are the arguments rational and reasonable
- Are the statements made with enough clarity so as not to be taken out of context (I don't mind saying what we believe)

You can e-mail me or call me with your final comments – either at home [REDACTED] or at work on Sat. & Sunday from Noon – 5pm.

Thanks, Jamie
